SECURITY ON THE HIGH SEAS CONFERENCE

FEBRUARY 5TH - 9TH 2015 • FORT LAUDERDALE, FLORIDA

THE PREMIERE SECURITY EVENT FOR IT PROFESSIONALS IN 2015!

Join Connect and the Cloud Security Alliance for the maiden voyage of the Security on the High Seas Conference. Conference attendees will receive **TWO FULL DAYS** of Security Training, **INCLUDING** Cloud Computing Security Knowledge (CCSK) Training, and hot topic presentations from leading IT security experts.

ABOUT CCSK TRAINING

Boost your career, upgrade your skillsets, and prepare for the future of information technology with a certificate in Cloud Security Knowledge (CCSK) from the Cloud Security Alliance! CCSK Foundation training will provide conference attendees with the practical knowledge required to understand real cloud security issues and solutions. This one-day training course will give you a comprehensive review of cloud security fundamentals, and helps prepare you for the CCSK certification exam. After the training, you will receive an **EXAM TOKEN** to use for the CCSK exam.

SECURITY EDUCATION FROM THE EXPERTS!

In addition to CCSK certification training, conference attendees will enjoy the added value of a full day of hot-topic security presentations from in-demand security experts!

- **KEYNOTE PRESENTATION:** Jim Reavis, Cloud Security Alliance
Security Lessons Learned from Enterprise Adoption of Cloud
- **LEGAL UPDATE:** Linda Luckie-Anderson, Attorney at Law
